Opus One Wine Dinner 2026

Thursday, May 21st - 6pm

\$299 per person plus tax and gratuity

The wine dinner at the Boathouse featuring OPUS ONE is one of the most popular events of the year. Our host Gina Voci from OPUS ONE has become a favorite of the guests that attend. Gina's career spans many decades and we are sad to announce this will officially be her last wine dinner because she will be retiring in June.

Gina Voci began marketing Opus One in 1984 and currently serves as Central States Divisional Sales Manager, overseeing all aspects of sales and marketing in twelve states. She is liaison to a distributor network of twenty-six wholesalers, and manages marketing and sales of Opus One from the winery to the consumer.

Prior to Ms. Voci's current appointment, she spent six years in sales and marketing for Robert Mondavi Winery in San Francisco, Denver and Chicago. Before entering the wine business, she taught high school English and Art for five years in Los Angeles and San Jose, California. Ms. Voci holds a bachelor's degree in English from Santa Clara University, teaching credentials from San Jose State University, and studied art at Gonzaga University in Florence, Italy. She currently resides in Chicago, IL with her husband, a Civil Rights Attorney; they are parents to two delightful daughters.

Ms. Voci has presided at numerous educational wine tastings, seminars, and dinners for small and large industry groups, including professional culinary schools, restaurateurs, sommeliers, and retailers, as well as consumer groups such as university MBA and Law School programs, The American College of Surgeons, YPO, and as Honorary Chairperson to Fanfare for the Arts. She is a current member, and resides on the Board of Directors, of Les Dames Escoffier International, Chicago chapter.

We hope you will attend this year's wine dinner and get to experience the passion and knowledge that Gina brings to the wine dinner. Gina will be truly missed in the Opus Dinners to come.
